Evidencia 6. Crear el Merge Request

The screenshot shows a GitHub Merge Request (MR) titled "feat(lab4): práctica semana 4" in the repository "Luna Arrazola / MIA_2026". The MR was requested by "Luna Arrazola" to merge the branch "feature/Lsarrazola_Lab4" into the "dev" branch. The description states: "Se agregan los archivos correspondientes al Laboratorio No. 4." The interface includes a sidebar with navigation options like "Project", "Merge requests", "Repository", and "Build". The main content area shows the MR details, including a "Ready to merge!" status, a "Merge" button, and an "Activity" section. The right sidebar contains metadata such as "Assignee" (Luna Arrazola), "0 Reviewers", "Labels", "Milestone", "Work items", "Time tracking", and "1 Participant".
